QUESTION OURSELVES

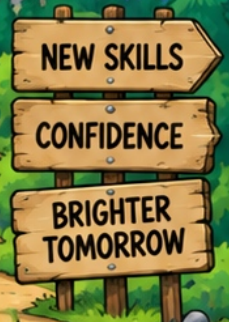

1. "What if
you fail? You're
not good enough."

2. "You can't
do that. It's
too hard."

3. "What if
people laugh
at you?"

4. "You always
mess things up.
You'll never
get it right."

5. "It's
safer not to
try. Just stay
in your
comfort zone."
