# The IMPATIENCE MONSTER

Hurry up! I want it now!

This is taking too long!

I can't wait!

Why do I have to be patient?

It's not fair!

I just want things to be done already!

I get so restless!

I can't sit still!

Why is everything so slow?

I have to go first!

I lose my temper when I have to wait.

I want to do it my way, right now!
